Dedicated To Someone We Love

Letter From The Principal

To the Members of the Class of 2011,

It is with great pleasure and pride that I write this message to all of you. Upon graduation, you will join the thousands who have come before you as graduates of Shrewsbury High School. But while you will officially leave the familiar and comfortable halls of SHS behind you, please know that your legacy will live on. Your leadership, your acts of kindness, and your contributions to our school culture have all helped to shape our school community in a positive way.

During the last four years, I have watched you mature as individuals and come together as a class. It is my sincere hope that through your experiences at Shrewsbury High School, you have created wonderful memories that will last a lifetime. You should all be proud to call yourselves Shrewsbury High School alumni. But don't forget that my expectations for you don't end upon graduation. I expect that you will step out of the cocoon of high school into the broader world and make a difference – something that all of you have the capacity to do.

I am confident that Shrewsbury High School has prepared you to honor the words in our mission statement and I eagerly wait to hear about the many contributions that each of you will make in the decades to come. Your parents are proud of you, your community is proud of you and I am proud of you. Congratulations and may the future bring you peace, happiness, and success.

Respectfully,
Brian K. Reagan

Yearbook Team

*Students and Faculty of
Shrewsbury High School,*

We are pleased and honored to create the 2010-2011 Yearbook for you. The theme of this year's Yearbook is New Traditions. Although an oxymoron, New Traditions must begin somewhere. We have seen many changes and additions this year. A unified Spirit Day, a Senior Cookout, Class Cup Competition, a successful Competition Play, and powerhouse sport teams are among just a few of the New Traditions set forth.

From early September to the end of June we have been working hard to create and compile a unique Yearbook filled with a variety of events and highlights from this school year.

Whether this year marks the beginning, middle, or the end of your high school journey, we hope we have captured the memories that will stay with you forever.

Almost, Maine:

Almost, Maine by John Cariani is New England's version of a Midsummer Night's Dream; infectiously endearing and remarkably poignant; connecting us to our deepest hopes, fears, and regrets when concerning matters of the heart. In real times each of the nine scenes would be taking place simultaneously at 9:00 on a cold winter's evening. As stated by the playwright "Almost, Maine is a play about people who are normally very grounded, but who have become very excited by love...and other extraordinary occurrences." Taking this into consideration, we have redesigned our space to resemble a snow globe, which encapsulates this place called "Almost." As with any snow globe, or relationship, it can be turned upside down, shaken up, or can collect dust when forgotten. At its core, this play is quirky and each relationship is divinely expressed as all expressions of love should be. It is my wish that in this frozen tundra you feel a bit of warmth and humor and find a bit of yourself withing these characters and, maybe, a piece of you will live on forever in Almost, Maine.

Tempest

King Alonso of Naples and his entourage sail home for Italy after attending his daughter Claribel's wedding in Tunis, Africa. They encounter a violent storm, or Tempest. Everyone jumps overboard and are washed ashore on a strange island inhabited by the magician Prospera who has deliberately conjured up the storm. Prospera is in fact the rightful Duke of Milan who had been put to sea to die with her three-year-old daughter Miranda by her brother Antonio who was in league with King Alonso. Prospera and Miranda live in a cave on the island which is also inhabited by Ariel, a sprite who carries out the bidding of Prospera, and the ugly, half human Caliban. Caliban deeply resents Prospera as he believes that he is the rightful ruler of the island. He plots with some of King Alonso's company to murder Prospera. Miranda and Ferdinand fall deeply in love. Ariel rebukes King Alonso for his previous plotting against Prospera. More plots against Prospera are developed but they fail, thanks to her magic. The play ends with all offenders repenting, even Caliban. Prospera regains her dukedom, Ariel calms the Tempest and everyone, except Caliban, leaves the island.

It's night before it's afternoon.

December is here before it's June.

My goodness how the time has flown.

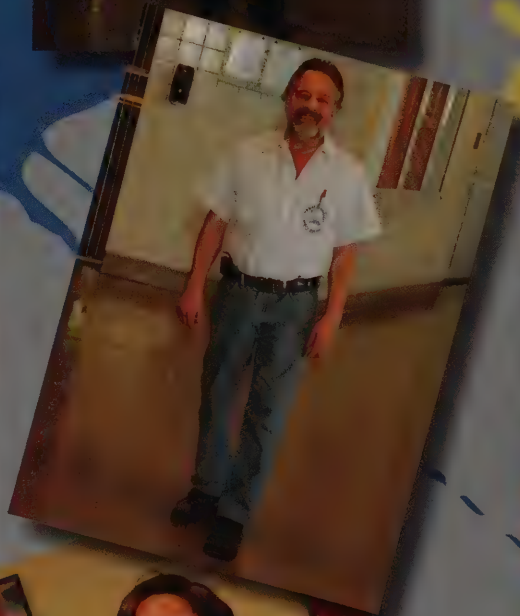

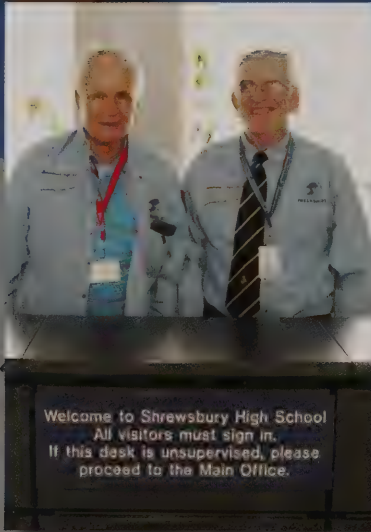

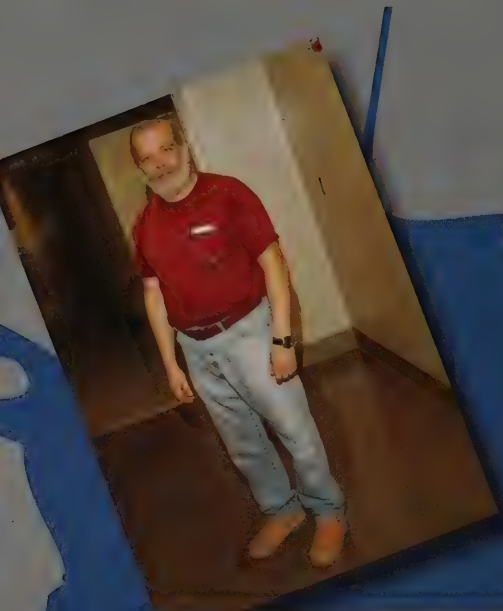

How did it get so late so soon?

Making it happen Every Day @SHS

SENIOR

When I think of the Class of 2011, this is what comes to mind...

-“Polite, studious, and very funny!” -*Mr. Collins*

-“Friendly and funny students who joke around, yet are grounded enough to unite together as leaders when they need to; a successful Field Day and a great new tradition in the Senior Cookout.” -*Mrs. Wilkinson*

-“Good, hard working kids. Moments of brilliance. Extended moments of brilliance. Sustained moments of brilliance.” -*Dr. Duggan*

-“Classy, respectful, fun-loving kids who truly care about their community and one another. One of a kind! I <3 2011!” -*Mrs. Carter*

-“This class encompasses unity, cohesiveness and exemplifies leadership and respect for each other. I am proud to be an advisor to this class!” -*Mrs. O’Connor*

-“Smart, enthusiastic, friendly, caring, optimistic, great teenagers!” -*Mr. Danielson*

-“The Class of 2011 (almost) always makes me smile.” -*Mrs. Fair*

Class of 2011

-“I think of a class of genuinely nice kids, some motivated, some not, but without any troublemakers.” -*Mr. Chace*

-“Class leadership was outstanding. Positive collaboration with administrative team especially around Field Day.” -*Mrs. Vigliatura*

-“My first year teaching an honors course at SHS. Many arguments over 1 point. I was a student in my own class because you all taught me a lot about how I do what I do. Best of luck.” -*Mr. Almeida*

-“What other class could have helped turn around Field Day and make it something so positive? What other class would think outside the box and start a new tradition with a Senior BBQ after Field Day to bring the class together to bond? What other class had the most hysterical fundraisers? I LOVED, LOVED, LOVED chaperoning the Hypnotist Show with Dan Candell...I really should have been up on stage getting hypnotized too! Compassionate. Leaders. Awe-inspiring. Surprising, Sensational. Outta here. Funny. 2011.” -*Ms. Blasioli*

-“A class with heart and soul and cares about each other.” -*Mrs. Floyd*

Nina,
Our little angel, from the very first day you came into our life, we felt complete. You were such a beautiful flower that blossomed into a wonderful person. You are a miracle that never ceases to amaze us. We are so proud of the person you have become. Do not follow where the path may lead, go instead where there is no path and leave a trail. Go confidently in the direction of your dreams. Memory is a way of holding on to things you love, the things you are, the things you never want to lose, but we know you have to do move on and create a path for your future. Where ever you go, go with all your heart. We Love you so much.

How do you write something inspirational to someone who is an inspiration - you have the unenviable position of second born.

You have had to follow your sister through life, but your path has been so different that you have forged your own way.

I've always wanted a sister, but I have four. I'll always remember all the precious moments we've spent together. We've had our problems, but all true friends do. No matter where we all end up, who we all become, or when we next see each other, I'll always love you girls.

Di

Through laughing till I can't breathe, crying till I can't see, and fighting till I can't feel, I've become part of a whole where I can find all I need & more.

We've grown collectively, accepting the bad, & cherishing the good. We have stuck together through everything. I am tremendously lucky. I love you with all of my heart.

Pa

You girls are incredible people. You've always been there for me. And even though we've put each other through everything, there's no doubt in my mind that you are the best four people I could've spent my high school years with. You will always be a part of me. Good luck, I know you'll be great in whatever you do. And never lose touch.

al

I can't even put a number to the countless good times we've all shared. Friendships like these are hard to come across and even harder to forget. I feel so fortunate to have spent these last 4 years calling you all my best friends. Through the good and even the bad times, I love you all. I wish you all the best of luck with everything you do.

Gr

Though this year marks the end to our school days together, with the years to follow we will continue to watch each other grow into the people we've helped each other to become. The world is waiting for us to do amazing things. No matter where we are, we'll always have each other in our hearts! Love you forever mwahs.

Our Wish for You...

I hope that the days come easy and the moments pass slow,
And each road leads you where you want to go,
And if you're face with a choice, and you have to choose,
I hope you choose the one that means the most to you.
And if one door opens to another door closed,
I hope you keep on walkin' till you find the window,
If it's cold outside, show the world the warmth of your smile,

But more than anything, more than anything,
My wish, for you, is that this life becomes all that you want it to,
Your dreams stay big, and your worries stay small,
You never need to carry more than you can hold,
And while you're out there getting where you're getting to,
I hope you know somebody loves you, and wants the same things too,
Yeah, this, this is my wish.

I hope you never look back, but ya never forget,
All the ones who love you, in the place you left,
I hope you always forgive, and you never regret,
And you help somebody every chance you get,
Oh, you find God's grace, in every mistake,
And you always give more than you take.
Yeah, this is my wish.

Dear Nicole,

There are no words ever invented that could possibly express to you how much we love you! You are the best daughter we could ever hope and pray for. As Parents, you truly are the ultimate blessing from God. You have grown from a sweet, funny little girl into a thoughtful and beautiful young woman who cares deeply for her family, friends and of course your precious puppy "Brody"!

We have so many wonderful memories of all we've done together as a family. We love how you care and protect your brother because he looks up to you, and you mean so much to him and he loves you completely! As a Dad, you are and will always be my "Angel", I love how you and your Mom are such good friends and share so much together with your special movie nights and shopping days! It goes without saying how she feels about you, but I wanted to make sure you knew how special it is to have such a close relationship with your Mom. There aren't many kids that will ever have what you and your Mom have together. You have been such a joy and blessing to your Mimi, Grammy & Bumpa!

Nicole, we could write a book about you and every page would begin and end with I love you and how much you mean to us. You are strong willed and determined to get what you want in life and that makes us so proud of you. We have no doubt that you are going to succeed in whatever you choose to do as you move forward in life.

Remember, we will always be there for you whenever you need us, no matter what.

Coley, because of who you are and what you mean to us, it will always be our honor, privilege and blessing to call you our daughter!!!

Love you always and forever!

Mom, Dad, Alex & Brody

Erin,

We can't believe how quickly time has passed by – the “baby” of our family is all grown up and ready to start a “new chapter” in her life. Thank you for all the love and joy you've given us, Erin. We are all so proud of you and love you very much. Keep smiling and remember we are all right beside you – every step of the way!

Efrain,

I was given an opportunity to share your life and for that I am eternally grateful. Sometimes when I look at you I see the boy you once were and I yearn for the days gone by and while I know we can't go back I am comforted knowing that I will bear witness to the journey that lies ahead.

Efrain,

As I've watched you grow through the years
I've looked forward to the next stepping-stone in your life
Each day you've made me more proud than the last,
Each day my love for you has grown stronger.
As you enter the next stage in your life,
I feel comfort in knowing that the person taking the step is not my baby-boy,
But the strong, young man you've become.

LIZZIE

Lizzie, You are one of the most kind and caring human beings I have ever met. Your
gift to show empathy and compassion towards others is unmatched. For the two
years that I have known you, I have seen you grow more and more everyday from
a young girl to a mature woman. You always keep me positive even when I'm down
and always manage to brighten my day no matter what. From the infinite amount of
things you have taught me two of them are: enjoy life as much as possible and don't
let little things bother you. You have taught me a lot and will continue to teach others.
Throughout your next four years of college and beyond, remember to always enjoy
what you do and work hard in doing it. You have worked your butt off to reach this
milestone in your life so enjoy it and keep reaching for your dreams!!! I will always be
here for you for anything you need.

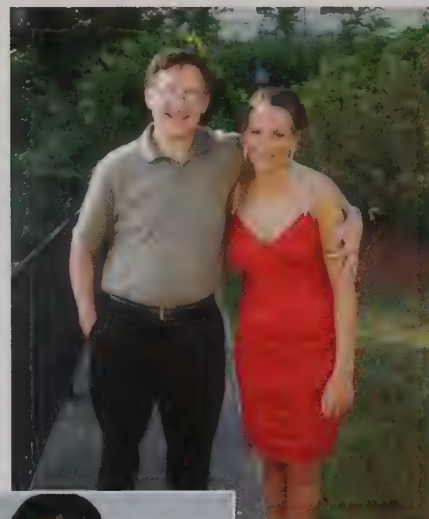

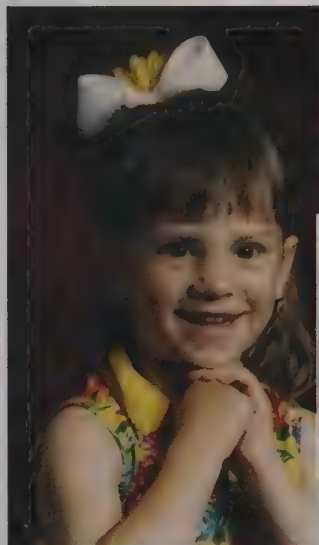

I love you bunches. Kisses XoXoXo Love, Hussein

SISTERS

Congratulations

To our dearest daughter, we are so proud of you. You have become such a caring sweet and compassionate young lady. You have brought so much joy and meaning to our lives. God truly blessed us the day you were born.

all our love, love dad mom and abby

Nikki, I'm so proud of the beautiful young women you have become. You have always had such compassion for your family and friends and would always put other needs in front of your own.

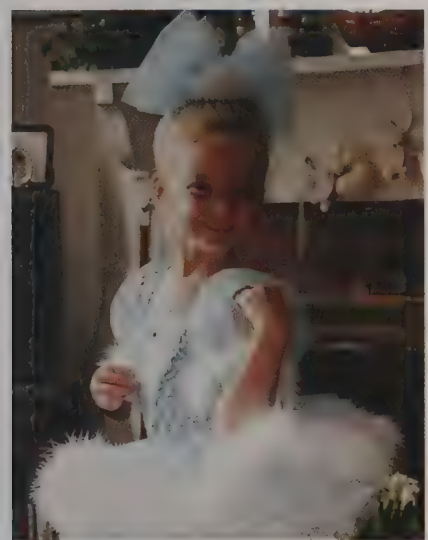

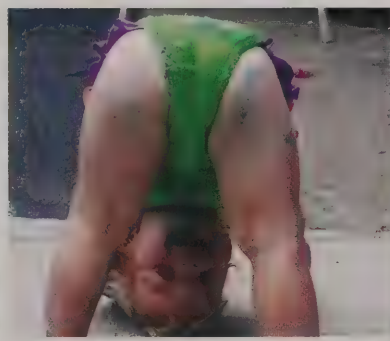

Nikki, Always continue to go after your dreams because I know you will get there. My one piece of advice is to always want more. Don't get to a point where you are comfortable in what you're doing everyday, because if you are, you are not striving to be better. Welcome to the start of your dreams! Congrats! Love, Ronnie & Krystle Nikki, You are the most independent, outgoing person I know, and I envy you and love you every day for it. I am so proud of who you have become as a person and how close we finally became. I'm going to miss you like crazy. However, I will be checking your bags of clothes before you leave. And if you end up at FSU, you'll have a fabulous legacy to hold up (we both know what the entails) and I'll be sure to buy you a nice vest for protection before you move in. Congratulations girl! I love you tons!! Love, Kate

Dear Danielle, Congratulations. We are very proud of all that you have accomplished, and hope the next 18 years are just as wonderful.
Love, Mom, Dad, and Gregory

We love you, Mom Dad Shane and

Let your courage be my model
That the north you find will be true
When there's no information
And the compass turns to nowhere that you know well

Let your soul be your pilot
Let your soul guide you
Let your soul guide you upon your way....
